

Experts Reporting From the Field on Updates in SMA Management: WMS Conference Coverage

FOR MORE INFORMATION: Visit <http://www.SpinalMuscularAtrophyCME.com>

- Release Date: 11/30/20
- Expiration Date: 11/29/21
- Short insightful videos on the latest clinical trial data

This education is targeted to pediatric neurologists, neuromuscular specialists, neurologists, pediatricians, nurses, and other health care providers who manage patients with spinal muscular atrophy.

Why complete this education?

- There continues to be a **rapid influx of new information** about the diagnosis and management of SMA
- With **3 approved therapies** for the treatment of SMA, clinicians need up-to-date information on **clinical trials** and **patient management**
- **FREE CME!**

Faculty

Laurent Servais, MD, PhD
Professor of Pediatric Neuromuscular Diseases
MDUK Oxford Neuromuscular Center
University of Oxford
Oxford, United Kingdom

EDUCATIONAL LEARNING OBJECTIVES

- Discuss information on the management of patients with SMA released at major congresses
- Identify country/region specific challenges that clinicians will encounter in the management of patients with SMA globally
- Discuss the clinical implication of emerging knowledge regarding SMA diagnosis and treatment

Video titles include:

The Impact of Nusinersen on Respiratory and Bulbar Function
Data from JEWELFISH Shows Switching to Risdiplam is Safe
SHINE Extension Studies and Role of Neurofilament
Global Status of Newborn and Carrier Screening for SMA
Gene Therapy Trials Support Early Treatment and Safety

ACCREDITATION STATEMENT

The France Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

Physicians

The France Foundation designates this enduring activity for a maximum of 0.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COMMERCIAL SUPPORT ACKNOWLEDGMENT

This activity is supported by an educational grant from Biogen.
